

## Grace Rivers Ministry

***Followers of Jesus Christ – Impacting our community one person at a time!***

**Our Vision** is to empower every *Follower of Jesus Christ* to represent God’s salvation and restoration to those to whom He sends them. (Matt. 28:19)(Gal 6:1)

**Our Mission** is calling and equipping followers of Jesus Christ to authentic fellowship as disciples who will impact their communities with the gospel, drawing all people unto Christ. (2 Cor. 5:18-20).

**We do this** through cultivating spiritual growth in individuals and groups that is focused on nine core relational values. (Heb. 6:1-3)

**We are motivated** to remove our masks of fear, which may prevent us from revealing God’s abundant grace in our lives to those whom God is leading us to. (Acts 28:30-31)

**Our ministry is engaged in:**

- ❖ Individual counsel, mentoring and coaching
- ❖ Speaking engagements that are both prophetic and equipping
- ❖ Authentic Community building conferences and seminars
- ❖ Building “Life Transformation Groups” that are based on:
  - Hearing the Word of God
  - Sharing life together
  - Motivating one another to mission

**We believe** in the universal Body of Christ that functions through groups and individuals. (Eph. 4:4-6)

We will therefore partner with churches, ministries, and Christian organizations to encourage and utilize the fullness of the gifts and callings present. (Rom. 12:3-6) (I Cor. 12:11-13)
